**JOINT STIPULATION AND
[proposed] ORDER re: CMC and ADR**

Date: May 27
Time: 2:30 p.m.
Courtroom: 14th Floor

At the previous case management conference of March 4, 2010, at 2:45 p.m., the parties and the court discussed the desirability of mediation through the Court's ADR Program for resolving this case. The parties believed that the court would issue an order which would order the case to mediation through the Court's ADR Program. On February 23, 2010 the ADR clerk filed a notice of Phone Conference for March 1, 2010. Both parties attended this conference and subsequently agreed upon mediators which they promptly forwarded to the Clerk. The parties have been waiting for an appointment of a mediator. Defendant recently inquired with the ADR office as to the progress in appointing a mediator. The ADR office has notified defendant that no progress had been made in appointing a mediator because the ADR office was awaiting a Court Order regarding the ADR assignment.

As such, the parties hereby request an order from this court ordering the case to mediation through the ADR process.

The next Case Management Conference in this case is currently scheduled for May 27, 2010 at 2:30. It is the parties' understanding that the Court's ADR Program may not be able to schedule a mediation prior to May 27th. As such, the parties request that the May 27, 2010 CMC be continued to July 22, 2010 in order to have adequate time to mediate.
